

BLOODY DUEL FOUGHT

NEAR CRAB ORCHARD

Melvin Kidd Dead and John Dishon Seriously Wounded in Saturday Night Fight.

One of the bloodiest duels ever fought in Lincoln county took place two miles south of Crab Orchard, near the county poor house, Saturday night about 7 o'clock.

The principals in the fight were Melvin Kidd, aged 23, and his brother-in-law, John Dishon, aged about 45. From the best information obtainable, it seems that Dishon had secured a quantity of liquor and going to his home in the afternoon was, with Kidd and others preparing to go possum hunting that night.

Kidd was standing in Dishon's yard firing a pistol which he had partially closed a trade with a neighbor for, and which he was trying. Dishon stepped to his front door and told Kidd to stop shooting as he was tired of the noise. Kidd is said to have replied that he would do so when he "d—d pleased."

This brought an angry retort from Dishon and the two quarreled for a moment and Kidd, as alleged started toward Dishon with his pistol in his hand. Dishon stepped back into the room and came out with a shot gun and both began firing. Kidd received the full charge in his left breast and staggering back a few feet fell into a ditch, expiring immediately. Dishon was shot in the breast also, the ball ranging upward (the result of his standing in the doorway above his assailant) and toward his right shoulder.

Coroner Geo. P. Bright was immediately notified and went to the scene of the killing, where he impaneled a jury and they rendered a verdict to the effect that Kidd came to his death at the hands of Dishon, who acted in the necessary defense of his life.

Dishon married Kidd's sister and has a large family, while Kidd had but recently married a niece of Dishon and they lived in the same house. It is said that had feeling existed between the two men for some time. While Dishon's wound is serious it is not regarded as necessarily fatal owing to the fact that the ball from Kidd's pistol ranged upward. He is under guard and will be arrested if his condition will warrant his removal. The charge from Dishon's gun tore a ghastly wound in Kidd's left breast and death must have been instantaneous.

This is the second tragedy in the East End of the county within the past year both of which more or less brought about by whisky.

Enslin Planning Improvements

Charles Enslin, the popular and progressive Ottenheim miller, is planning the construction of a windmill at his place, southwest of Stanford, and the installation of a storage battery and electric dynamo to be used as operative power for his flour mill. Mr. Enslin has been investigating the cost of maintenance and operation of such power as compared with his present system, and old fashioned steam mill, and believes that a wind driven dynamo, will prove a big saving for him.

Thieves After Corn

Considerable complaint is being heard of the theft of corn in the field out in the Turnersville section. Several well known farmers have found evidence that leads them to believe some negroes in that neighborhood are doing the thieving and they are getting ready to go after them with shotguns if they can be caught with the goods on.

Building Bungalow

John G. Lynn, of this place, has begun erection of a neat bungalow on the farm he recently purchased of J. Frank Smith. The property lies on the cut-off pike between Stanford and Shelby City and is known as the Engleman farm. The house on it, a handsome two-story frame, burned about three years ago and was owned at the time by Robert F. Seudder, now of Arizona.

George Carpenter lost a handsome Jersey heifer last week by a heavy limb falling from a tree under which she was standing at his farm on the Crab Orchard and Stanford turnpike. She was heavy with a calf, was registered and her owner valued her at \$60.

E. T. Pence, Jr., of this city, is feeding at his farm on the Lancaster and Stanford pike, a handsome bunch of a dozen mules which were bought at \$50. He will have them on the market at the right time and believes they will make him a neat profit.

J. W. Brown, who has been living on the Frank Lawrence place on the Preachersville pike about two years, has bought the George Maxey house and lot on the Hustonville and Danville pike, half a mile from Shelby City, and has taken possession. He gave \$650 for the place.

R. C. Arnold, the local stock trader, has bought during the past few days the following live stock, of Henry Walters, 16 hogs averaging 200 pounds, at 6 1-2 cents of Lit Sloan seven averaging 6 1-2 cents, of W. L. Long a bunch weighing 125 pounds that cost him 6 1-2 cents, of H. Walters 3 calves for \$30 and a cow weighing 800 pounds, of G. W. Carter at 8 cents.

S. G. Brown, the Eubank stock trader, brought to town and sold to Richard Hester, out on the Lancaster pike, a drove of 30 steer calves. He got \$450 for the bunch. Mr. Brown sold to Bremer Bros., of Jessamine county, who come to Lincoln considerably after stock, a bunch of 10 steers that he had bought in the southern end of the county. They went to the Jessamine buyer at an average of 4 3-4 cents a pound. Mitchell Taylor, of Danville, bought of Mr. Brown 10 feeding calves for \$111. Mr. Brown shipped in a car load of hogs to the Cincinnati market last week.

"The County Sheriff"

The theatergoers will have a treat in store when "The County Sheriff" comes to Stanford Opera House on Wednesday, Nov. 20. This is one of those quiet melodramas that burns little powder. Still abounding in heart interest and thrilling climaxes it tells a beautiful love story of the plains, with just enough comedy to relieve the intensity of the dramatic situation. The story is told in four acts and special scenic and stage equipments are carried for the entire production. Mr. Lem B. Parker, the author, has added very little fictitious embellishment to the already interesting story. The costumes, which are historically correct, is a feature of the performance. "All the world loves a lover" is an old adage and a true one, and one of the most fascinating stories of the love of two men for one woman that was ever told, is the basis of the play, "The County Sheriff."

***** Mt. Vernon Signal for Beckham

Here's a striking and fine illustration of how almost unanimous is going to be the call to Beckham from the people to the U. S. senatorship next year. The Mt. Vernon Signal said last week:

"Now that all elections are over the next thing to engage the attention of Kentucky Democrats is the election of a United States Senator, to succeed the Hon. William O. Bradley. Who shall it be?"

This question is frequently asked and this paper is proud to say that up in the mountains the usual reply is, Gov. J. C. W. Beckham. Many democrats who were against the Governor in his last race for the Senate and were really glad when he was defeated will work and vote for him in the primary next August. In the past the Signal has opposed the Governor because we believed it was right and proper that we should, but time has proven the error of our way, and in the coming race the Signal will take great pleasure in doing everything that it can to bring about the election of the Hon. J. C. W. Beckham to the United States Senate, an office which by right and justice should be filling today."

UNWRITTEN LAW

Is Plea of Brack Maupin and He Is Allowed \$5,000 Bail.

Richmond, Ky., Nov. 18.—The hearing in the application for bail in the case of the Commonwealth against Brack Maupin, charged with the murder last month of Jas. Faris on the streets here October court day, was held before Circuit Judge Benton, who, at the conclusion of the testimony, allowed the accused bail in the sum of \$5,000 which Maupin is expected to give. The testimony tended to substantiate rumors current at the time.

The evidence as given by Maupin himself, his married daughter, Mrs. J. W. Hendrix, of Lexington, and a grown son, Jasper Maupin, and neighbors charge that undue intimacy had existed between Mrs. Maupin and Faris dating back about eleven years and up to Faris' death. It also was alleged that the two had met on various occasions in Richmond, Lexington and other places; that Mrs. Maupin, after Faris moved to Lawrenceburg, had maintained a private post office box through which she received letters from Faris until discovered by her husband and her brothers. Then arrangements were made, witnesses testified, which she continued to get letters from Faris by having them addressed to her daughter, Miss Lula, now Mrs. Hendrix, whom Mrs. Maupin had taken into her confidence.

Some of the letters alleged to have been written by Faris were read in court and were of the most loving nature always pleading with Mrs. Maupin not to weaken or confess, to maintain her innocence no matter what was said, and that he (Faris) would proclaim her innocence until death. The letters also urged that she continue to attend church regardless of rumors, and in that way she would keep down suspicion. The letters were all signed, witnesses swearing they were in Faris' handwriting.

Maupin swore that he had approached Faris, on the subject of the rumors on various occasions and Faris would only say: "Brack I am your best friend and there is nothing in the reports." The witness once told Faris, he said, that matters must be cleared up or one of them would "bite the dirt." Then he later met Faris, just after he had been with Mrs. Maupin, as he believed, and Faris, without a word, drew his pistol and compelled Maupin to back away. Witnesses swore that Maupin had not been the same since he had begun to distrust his wife, and that he had spent most of his time brooding and crying.

The testimony of the Commonwealth failed to contradict in any material manner that of the defense. It also failed to show that Maupin was the aggressor on the morning of the killing. The only eye-witness for the defense stated that he saw Faris make the first attempt toward drawing a pistol. None of the Commonwealth witnesses saw what occurred before the first shot was fired.

Maupin is a wealthy and prominent farmer. Faris was connected with the internal revenue service at Lawrenceburg, Ky., but formerly lived here.

ACCUSED MURDERER

DISMISSED BY COURT

John Henry, Suspected Of Killing Operator Engleman Proves Innocence

When circuit court opened Monday morning the Commonwealth and defense both announced ready in the case of John Henry, a negro charged with the murder of James Engleman, a telegraph operator at King's Mountain in June 1909. The prosecution believed it had a strong case against the negro as witnesses were present and ready to give damaging testimony. Mr. Flaig, a jeweler of Danville, positively identified Henry as the negro who brought Engleman's watch to him for repairs. He thought he recognized the watch as the property of the dead man and referred to his books and found that the number of the watch compared exactly with the number of the one he had sold to Engleman. However all this amounted to naught for W. O. Robbins, warden of the Alabama penitentiary came up from Montgomery and on taking the stand swore that at the time of the murder Henry was in the penitentiary serving a term of one year and that he made his escape three days after the murder was committed. The warden had the Bertillon description of the negro and it fitted exactly the marks on Henry. There was nothing left then for the court to do but to dismiss the case against Henry and the warden of Alabama prison left on the 11 o'clock train with his prisoner where he will serve out the remainder of his term. The murder of young Engleman was one of the foulest ever committed in this section of the state he being shot through the window of the Q. & C. office at King's Mountain while at work. There is no question that Mr. Flaig is correct in his opinion that the watch brought to him belonged to the murdered man, and from the fact that a number of other witnesses were positive in their identification of the negro it would seem that he is right in the belief that Henry was the one who brought the watch into his store. A number of men whose reputation is above reproach were here to swear that they had seen Henry in this section before or about the time of the murder and if their version is correct there is a wide variance between them and the warden's testimony.

In the circuit court Friday afternoon Herman Camp, a 19-year-old boy, who gave his home as Chattanooga, was fined \$50 on a charge of cutting a Q. & C. brakeman at King's Mountain last summer. He and two other boys were beating their way on a freight train to Danville, when the brakeman discovered them and ordered them out of the car. An altercation followed and the brakeman received a cut in the side. Camp was arrested at Danville and had been in jail here for about about five months. He will have to lay the fine out in jail.

Leslie McDonald, a West End youth, was ordered to the Reform School at Lexington by Judge Hardin to remain until he attains the age of 21. He was charged with breaking into Austin's mill at Mt. Salem and being too young to go to the penitentiary will pay the penalty of his crime in the school.

If the republicans want a state daily paper, what's the matter with the Lexington Leader? It's the only blown-the-bottle republican daily left that supported Taft in Kentucky and has the confidence of a large number of people that could never be won by a purely partisan organ.

Former Secretary, Bob Phillips, of the Democratic State Committee charges that some one tampered with the party's credentials to the Baltimore Convention. Let's hear who the guilty party is, Bob. Democrats aren't going to stand for such play as that.

Taft will ride in the carriage with Wilson in the inauguration ceremonies. This time-honored precedent would undoubtedly have been smashed had the Bull Moose triumphed.

Justus Goebel, who is leading the fight to make the big corporations pay higher taxes, doesn't appear to have a high regard for the efforts of Attorney General Garnett along this line.

Harry Sommers says he's the original Woodrow Wilson man yet doesn't want any pie. What about the governorship next time, old friend?

Harrodsburg is renewing its efforts for a public building. Stanford ought to have one now that a democratic administration is in power.

Constipation and Catarrh

E. S. HARTMAN, M. D.

You are constipated. You have taken laxatives a great many years. You have tried to select a diet that would keep your bowels regular. In this you have failed and were obliged to go back to your laxatives again. This, I say, has been going on many years. You also have a slight catarrh in the head and throat. You never imagined that the catarrh had anything to do with the constipation. Suppose I were to tell you that as long as you have that catarrh you will never get better of your constipation. Would you be-

lieve me? Well, whether you would believe me or not it is the truth. For many years I have been wrestling with the problem of furnishing the public an internal catarrh remedy. Peruna has been the remedy that I have devised and it has certainly relieved many thousand people, you hundreds of thousands of people, of chronic catarrh.

Constipation was my chief difficulty in treating these cases. I often felt that it would be better if a laxative element were added to Peruna. I feared to do so, however, first because of the number of catarrhal patients who needed no laxative, and second I was afraid of making such a radical change in a remedy that was already doing so well. Thus it was that I continued to prescribe with the Peruna a bottle of Manalita to those who needed a laxative. At last, under circumstances explained in my booklet, I was constrained to add the laxative element to Peruna. This constitutes what is now known as the revised Peruna.

Now those who take Peruna will, first, find themselves promptly relieved of their constipation. Second, the catarrh will gradually disappear. And once the catarrh is cured the constipation leaves permanently. Then if you follow the advice given in my book, you will never have to take pills any more. Cathartics and laxatives you can ignore. You will be permanently relieved of both your catarrh and the constipation. PERUNA IS FOR SALE AT ALL DRUG STORES. SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

WIFE'S HEALTH RESTORED

Husband Declared Lydia E. Pinkham's Vegetable Compound Would Restore Her Health, And It Did.

Ashland, Ky. — "Four years ago I seemed to have everything the matter with me. I had female and kidney trouble and was so bad off I could hardly rest day or night. I doctored with all the best doctors in town and took many kinds of medicine but nothing did any good until I tried your wonderful remedy, Lydia E. Pinkham's Vegetable Compound. My husband said it would restore my health and it has." — Mrs. MAY WYATT, Ashland, Ky.
There are probably hundreds of thousands of women in the United States who have been benefitted by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.
Read What Another Woman says:
Camden, N. J. — "I had female trouble and a serious displacement and was tired and discouraged and unable to do my work. My doctors told me I never could be cured without an operation, but thanks to Lydia E. Pinkham's Vegetable Compound I am cured of that affliction and have recommended it to more than one of my friends with the best results." — Mrs. ELLA JOHNSON, 324 Vine St.
If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

FRAIL, SICKLY CHILD

Restored to Health by Vinol—
Letter to Mothers.

Anxious mothers often wonder why their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following letter.

J. Edmund Miller, New Haven, Conn., says: "My little daughter, ever since her birth, had been frail and sickly, and was a constant source of worry. Several months ago we commenced to give her Vinol. I immediately noted an improvement in her health and appearance. I gave her three bottles of Vinol, and from the good it has done her I can truly say it will do all you claim."

This child's recovery was due to the combined action of the medicinal elements extracted from cods' livers, combined with the blood-making and strength-creating properties of tonic iron, which are contained in Vinol.

Vinol will build up and strengthen delicate children, old people and the weak, run-down and debilitated. We return the money in every case where it fails.

FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die."

At last my husband got me a bottle of Cardul, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well.

I wish every lady, suffering from womanly trouble, would try Cardul. It is the best medicine I know of. It did me more good than anything I ever used."

Cardul is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.

A Trial Gave Instant Relief—The Great Kidney Remedy Never Disappoints

Being broken down in health, suffering with Kidney Trouble, despairing of ever being well again, I was advised by a friend to try Dr. Kilmer's Swamp-Root which gave me instant relief, and after using several bottles, I am now sound and well, and can safely recommend Swamp-Root to anyone suffering with back or kidney troubles.

I also had rheumatism, and I have had more relief from Dr. Kilmer's Swamp-Root than any other remedy. A sufficient trial will convince anybody of the merits of Swamp-Root.

What Does It Mean?

"WOOLTEX" on a tailored garment means what "sterling" means on silver. It means what "Tiffany" means on a piece of jewelry. It means what an honest man's signature means on a check.

It means safety. It means character, backed by reputation. It means a guarantee of satisfaction.

It means that the style is authentic and exclusive.

It means that the cloth used is all pure wool.

It means that the tailoring is conscientious, skillful and thorough.

It means that the garment will "stay new"; will keep its shape; will look fresh, natty and trim despite wear and wet.

It means assured value at a moderate price.

It means a GUARANTEE THAT YOU WILL GET AT LEAST TWO FULL SEASONS' SATISFACTORY SERVICE FROM THE GARMENT THAT CARRIES IT.

Isn't that a label worth looking for?

Come in here and ask to see the suits, coats and skirts that bear this Wooltex label. We alone, in this city, sell them.

We will offer for sale at public auction, our Flour Mill and Electric plant, on the following terms: One-third cash and balance in one and two years. Date of possession given on day of sale.

This mill is equipped with the best machinery on the market, and is putting out flour second to none; and is a paying investment. It is not a dead one when it comes to making money.

The purchaser of this property will get a bargain, regardless of the price, as it is not often that property of the money-making type is placed on the market and sold to the highest bidder.

The reason for selling, is to make a complete settlement of the D. M. Lipps estate, there being several heirs and most of them are located out of the state, and a complete settlement cannot be made until this property is sold.

The highest bidder will get this valuable property, as it will be sold absolutely without bid or reserve.

This mill is surrounded by one of the best farming sections in Kentucky, and produces wheat and corn sufficient to operate this mill twelve months in the year.
